

2019 RAHSAE

Artwork Submission Form

Dear Teachers, thank you for your support of our exhibition through the submission of your best student work from the 2018 to 2019 academic year. Please submit only the best **original** work from one to three students. For every student participating from your high school please fill out one of these forms. Depending on the turnout on the day of installation we may need to limit the work shown to one work per student. Originality is an important criterion for work to advance in competition.

Gregory Johnson UW-Richland
